

HOROLOGICAL  
SMARTWATCH

**FREDERIQUE CONSTANT**  
GENEVE

# USER MANUAL

SMARTWATCH  
FC-281

The background of the image consists of a series of concentric, thin white circles centered on the page, creating a ripple effect against a solid teal background. The circles are evenly spaced and extend towards the edges of the frame.

01

GET STARTED

# GET STARTED

## 01. GET THE APP

Download the FREDERIQUE CONSTANT SMARTWATCH app for iPhone® or Android.

## 02. ACTIVATE BLUETOOTH ON YOUR PHONE

## 03. LAUNCH THE APP AND FOLLOW THE INSTRUCTIONS

You will first be invited to create your own profile, then to pair your watch with the app and finally to set your own goals.

## 04. YOU ARE NOW READY TO USE YOUR SMARTWATCH DELIGHT NOTIFY

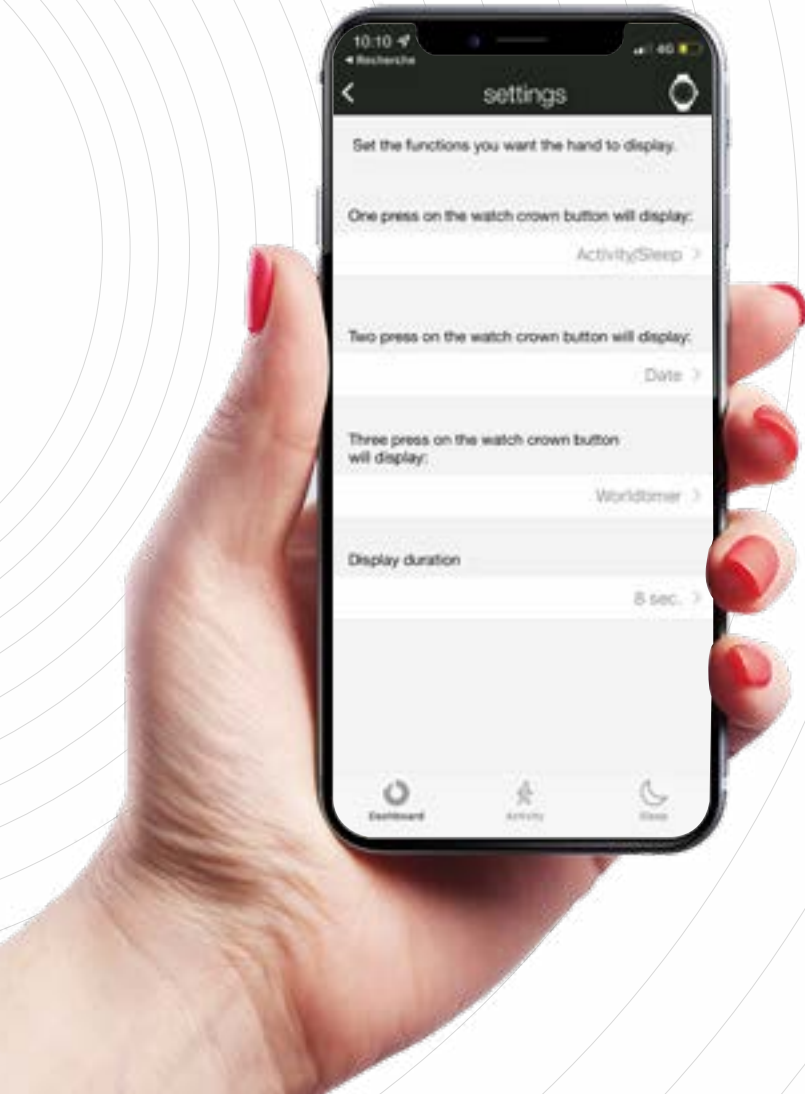

The background of the image consists of a solid light blue color overlaid with a series of thin, white, concentric circles that radiate from the center, creating a subtle ripple effect.

02

NAVIGATE

# NAVIGATE ON THE SMARTWATCH DELIGHT NOTIFY

The Smartwatch Delight Notify is equipped with a crown button which allows you to access its different functions:

- Activity / Sleep
- Date
- Worldtimer (2nd time zone)
- Temperature (watch temperature)
- Chronograph
- Workout (5 different sports available that can be monitored)

Via the companion app, you can set up to 3 different functions to be displayed on your watch.

The background of the slide features a series of concentric, thin white circles centered on the page, creating a ripple effect against a solid teal background.

## SPECIFICITIES

**FREDERIQUE CONSTANT**  
GENEVE

# FUNCTIONS

## ALWAYS ON-TIME

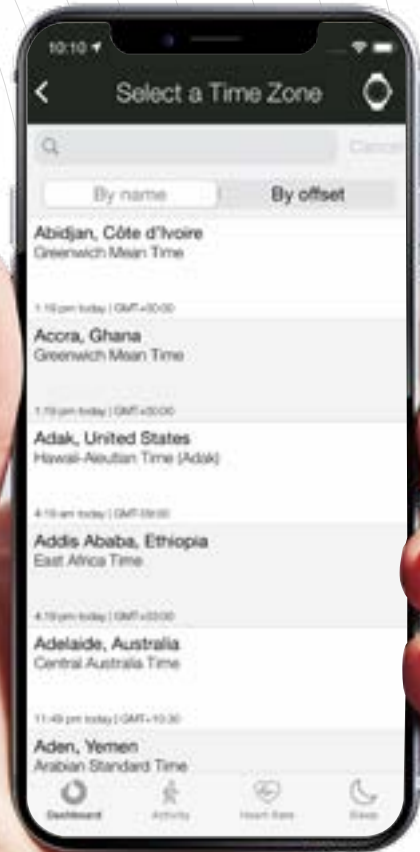

You won't ever need to set a time and date - travelling across time zones, the watch picks-up the time from your smartphone and displays the current time automatically.

The date can be displayed on your watch via the hour hand.

To do so:

1. Set your push button in the companion app.
2. Push the crown's push button (one push, two push or three push depending on your settings).
3. The minute hand will display the date on the minutes graduation.

# FUNCTIONS

## WORLDTIMER

You can choose to display a second time zone on your watch. A feature particularly useful when travelling in order to keep track of your time at home.

Depending on your push button settings (one push, two push or three push on the watch crown), the hour hand will move to display your selected second time zone (display duration can be set in the push button settings).

# FUNCTIONS

## ACTIVITY TRACKING

Keep track of your daily steps, calories burnt and total distance travelled. The companion app's charts will help you to get an overview of your results per week as well as compare your results to people of your age worldwide thanks to a benchmarking tool.

### SET YOUR ACTIVITY GOAL IN THE COMPANION APP

The first step to do is to set your own activity goal in the app.

### HOW TO READ YOUR ACTIVITY RESULTS ON YOUR WATCH

In activity mode (see page 6), after the crown press:

- Minute hand moves to 8 o'clock icon.
  - Hour hand moves on the 0-100 scale (central ring) representing your activity goal percentage reached (depending on your own goal set previously within the app).
- Few seconds later, hands will move back to time. The display time can be set within the app in the push button settings section.

# FUNCTIONS

## SLEEP MONITORING

Wear your watch at night or put it under your pillow to record your sleep. You can set your favorite mode in the app. The sleep monitoring function provides details on your sleeping pattern, including how much time you have spent in deep sleep, light sleep, or awake.

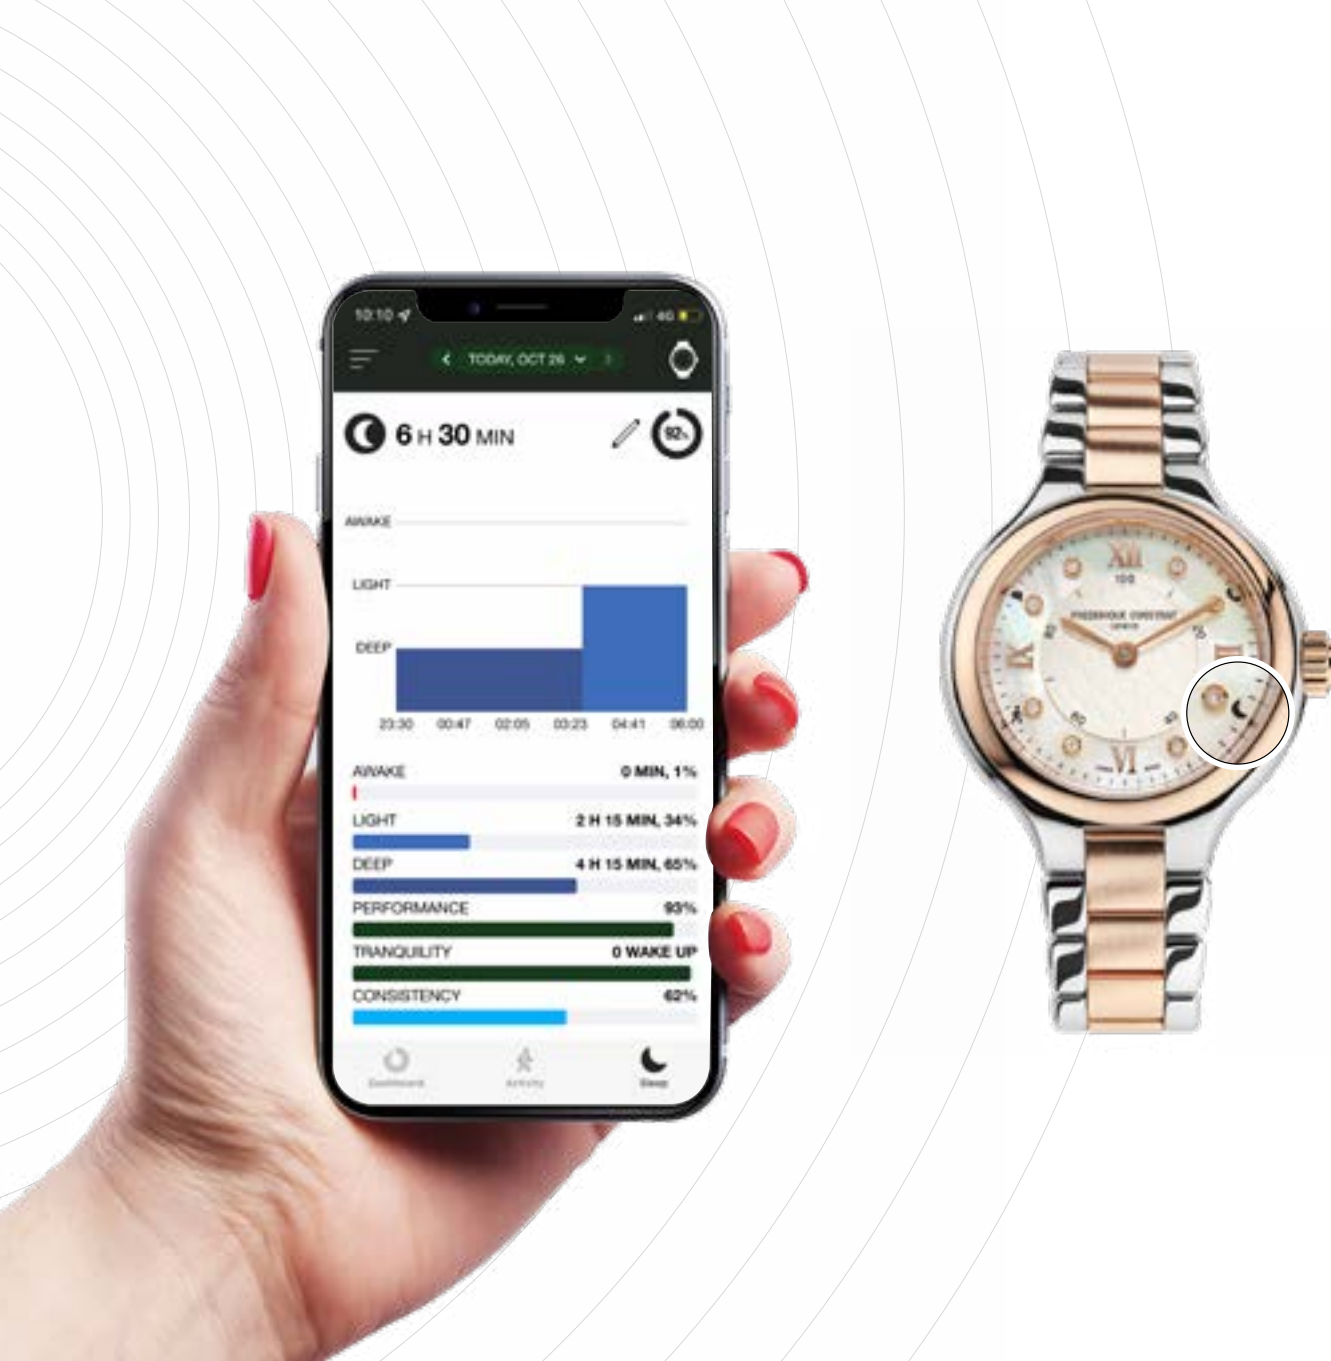

### SET YOUR SLEEP GOAL IN THE COMPANION APP

The first step to do is to set your own sleep goal in the app.

### HOW TO READ YOUR SLEEP RESULTS ON YOUR WATCH

In sleep mode (see page 6), after the crown press:

- Minute hand moves to 4 o'clock icon.
  - Hour hand moves on the 0-100 scale (central ring) representing your sleep goal percentage reached (depending on your own goal set previously within the app).
- Few seconds later, hands will move back to time. The display time can be set within the app in the push button settings section.

# FUNCTIONS

## SMART SLEEP ALARMS

Set a smart sleep alarm that will help you to wake up at the best time based on your sleep cycle in order to feel rested and refreshed.

You can easily activate and deactivate the Smart Sleep Alarms within the companion App.

# FUNCTIONS

## NOTIFICATIONS

Never miss a call or text message!

### MESSAGES:

Your watch will vibrate when a message is received and the hands will point to the icon at 10 o'clock. With a push on the crown, the hands will go back to time indication.

### CALLS:

The watch will vibrate when a missed call is detected and the hands will point to the icon at 2 o'clock. With a push on the crown, the hands will go back to time indication.

---

# FUNCTIONS

---

## CALIBRE TEMPERATURE

The calibre temperature can be displayed on your watch via the hour hand.

To do so:

1. Set your push button in the companion app.
2. Push the crown's push button (one push, two push or three push depending on your settings).
3. The minute hand will display the calibre temperature on the minutes graduation.

---

# FUNCTIONS

---

## GET-ACTIVE ALERTS

Set an alert to remind you to move if you've been idle for a set amount of time.

You will get notified by the watch's vibration.

Customize your Get-Active alert in the companion app.

---

# FUNCTIONS

---

## CHRONOGRAPH

The chronograph function can be launched directly on your watch via the push button.

To do so:

1. Set your push button in the companion app.
2. Push the crown's push button (one push, two push or three push depending on your settings).
3. The hour and minute hands will go to 12 o'clock.
4. To launch the chronograph: push the crown.

The minute hand will indicate the seconds while the hour hand will indicate the minutes.

5. To stop the chronograph: push the crown.
6. To reset: push the crown.

The hands will automatically go back to time indication.

# FUNCTIONS

## DYNAMIC COACH

Get suggestions, tips, and information catered specifically to you based on your activity and sleep goals.

## SPECIFICITIES

### CLLOUD BACKUP & RESTORE

Recover all your data, even if you lose your watch or phone. Your data is saved on your personal profile.

---

## SPECIFICITIES

---

### **2 YEARS BATTERY LIFE**

Your Frederique Constant Smartwatch is a real Swiss watch in its pure tradition.

Your timepiece features an electronic movement with 2 years battery life (depending on your usage).

## **NOTE**

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.

- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced technician for help.

## **NOTICE**

This device complies with Part 15 of the FCC Rules and with Industry Canada license-exempt RSS standard(s).

Operation is subject to the following two conditions:

1. this device may not cause harmful interference, and
2. this device must accept any interference received, including interference that may cause undesired operation.

## **NOTICE**

Changes or modifications made to this equipment not expressly approved by Frederique Constant SA may void the FCC authorization to operate this equipment.

Perchlorate Material - special handling may apply. See [www.dtsc.ca.gov/hazardouswaste/perchlorate](http://www.dtsc.ca.gov/hazardouswaste/perchlorate)
